To the FDA:

RE: Docket No. 98N-1265

I send this letter as a consumer of health care services to register my concern and disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

In its present form, the MOU, as well as its Compounding Section 503 A of the Modernization Act, severely restricts the rights of the physicians and patients to obtain healthcare products from the provider of their choice.

I am now taking a compounded medication prescribed for me and

98N-1265

C 3348

obtained from an out-of-state pharmacy.
I can not purchase this medication
in my own-state pharmacy.

Therefore, I urge the amending
of the MOW so that I can continue
to purchase my compounded medication
from my out-of-state pharmacy.

Sincerely,

Dyce C. Buckingham
